After our review has been completed, **IronForge Outdoors™ will determine, in its discretion and in accordance with applicable law, the appropriate remedy for an approved claim.**

Depending on the circumstances, an approved warranty claim may be remedied by:

- Repairing the defective component;
- Replacing the defective component;
- Replacing the affected product; or
- Providing another remedy permitted under applicable law.

A warranty claim must be approved by IronForge Outdoors™ before any warranty remedy is provided.

7. Proof of Purchase

IronForge Outdoors™ may require reasonable proof of purchase to establish warranty eligibility and the original purchaser's status.

Examples may include an original receipt, order confirmation, invoice, or other documentation showing the purchase of the FORGEBOX™ from IronForge Outdoors™ or an authorized seller.

8. Transferability

Unless otherwise required by applicable law, this Limited Lifetime Warranty applies to the **original purchaser** and is not transferable to subsequent owners.

9. Limitation of Liability

To the maximum extent permitted by applicable law, IronForge Outdoors™' responsibility under this Limited Lifetime Warranty is limited to the repair, replacement, or other warranty remedy determined for an approved claim.

IronForge Outdoors™ is not responsible for incidental, indirect, special, or consequential damages arising from the use of, inability to use, or failure of the FORGEBOX™, except where such limitations are prohibited by applicable law.

Nothing in this Limited Lifetime Warranty is intended to limit any rights or remedies that cannot legally be limited under applicable law.
